

Fees for the release test

(Edition 05/2018)

According to company standard:

H 0685-3 (Edition May 2018 - Rev. 03)

DEUTZ lubricating oil quality classes High-speed diesel engines, release conditions

A fee for handling the release and the right to use the DQC trademark in data sheets, on oil tanks and in product information must be paid:

Initial release and subsequent fees (valid from 01.06.2018):

These test costs are due for

- initial registration of a DQC release
- extension of a DQC release
- alteration of the brand name without quality-relevant changes to the additive and basic formulation.

DQC I-02 / DQC II-18 / DQC II-18 LA

€1000 plus VAT (Original release and commercial package release)

€750 plus VAT (Rebrand and reblend releases)

DQC III-18 / DQC III-18 LA:

€2500 plus VAT (Original release and commercial package release)

€2000 plus VAT (Reblended formulation)

€1500 plus VAT (Rebrand)

DQC IV-18 / DQV IV-18 LA:

€2500 plus VAT (Original release and commercial package release)

€2000 plus VAT (Reblended formulation)

€1500 plus VAT (Rebrand)

Notes:

These test costs are also due

- if quality-relevant changes have been made to the additive or basic oil formulation under the brand name,
- for a new test of an engine oil, that was removed from the DEUTZ release list.

It is only possible to get a rebrand/reblend release with the reduced fee if the original oil is already released.

The fees for an initial release, an extension or a brand name change of an original/commercial package/reblend/rebrand release according to the old DQC X-10 or DQC X-10 LA specification correspond to those of the quality classes listed above, DQC X-18 and DQC X-18 LA.
