

Fees for the approval inspection (version 07/2014)

in accordance with company standard: H 0685-06 (version July 2014)

DEUTZ coolant quality classes High-speed diesel engines, release conditions

To complete the approval and the right to use the word mark DQC in data sheets on coolant containers and in product information, a fee must be charged:

Initial approval (valid from 7/1/2014):

DQC CA-14 / DQC CB-14 / DQC CC-14:

2500 € plus VAT (original approval)**

2000 € plus VAT (Rebranding approval including ready-mix products)

** Additional costs may be incurred for the applicant for special tests (testing bench and field tests).

<u>Remarks:</u>

These testing costs are also due

- when quality-relevant modifications to the cooling system protective agent formula are made using the trade name,
- for a retesting of an engine cooling system protective agent that has been removed from the DEUTZ approval list.

The approvals apply for a period of max. 3 years. If the original cooling system protection manufacturer only confirm a shorter period for important reasons, the approval will be limited to a period of 1-3 years if necessary. This does not reduce the fees

The following fees (valid from 7/1/2014):

These testing costs are due for

- an extension of the DQC cooling system protective agent approval,
- a modification of the trade name without quality-relevant modifications to the additive and base cooling agent formula.

DQC CA-14 / DQC CB-14 / DQC CC-14:

2500 € plus VAT (original approval)

2000 € plus VAT (Rebranding approval including ready-mix products)
